Our Purpose

Luther Preparatory School is the first step in the WELS worker training system. Our students come from all over the United States and other parts of the world. Each student is encouraged to consider service in the Lord's kingdom as a pastor or a teacher.

The Phoenix Overnight Sports Camps are designed to impart valuable skills within the framework of full days of hard work and a lot of fun. We offer the opportunity for young Christians to meet and have fellowship with other Christian athletes. They will have the experience of living in a dormitory and eating meals on campus just as our students do. We pray that they will leave with many positive memories.

LPS PHOENIX OVERNIGHT SPORTS CAMPS

Dear Campers,

Do you love playing team sports? Are you looking to become a better player? If you spend time practicing the fundamentals, you will dramatically improve your game.

At LPS our drills focus on improving the fundamentals of the game and then put it all together in real game situations. As a camper, you will have the opportunity to enhance your skills and get a better understanding of playing team ball.

Come to a Phoenix Overnight Sports Camp this year and become the best player you can be! Take home a t-shirt, ball, other prizes, a new set of valuable skills and great memories!
