

MORNING DROPOFF

Cars must enter from Doris Ln.

All traffic must be single-lane.

Avoid dropping children off when your vehicle is in the crosswalk.

Always pull as far forward as possible so more vehicles can unload simultaneously.

Two routes were created to help speed up the morning dropoff.

If following **ROUTE 1**, you must pull up and drop your child(ren) off alongside the sidewalk.

If following **ROUTE 2**, you must drop your child off at the sidewalk in front of the atrium. Then, the children would walk along the sidewalk to the school entrance.

If you need to park (SCRIP, talk to a teacher, etc.), you should follow **ROUTE 2**. Park safely and proceed to the school entrance.
