St. Jude Catholic School Preschool

**Where Faith, Love, and
Leaders Grow!**

St. Jude Catholic School's preschool program is based on the Illinois Early Learning Standards while incorporating a Montessori-inspired and play-based approach to learning. Preschool activities are designed and implemented to support the age-appropriate development of young children in the following areas:

Language and Literacy

- Engage in activities which encourage oral and written communication
- Increase awareness of emergent reading and writing skills/abilities
- Demonstrate understanding and love of literature

Mathematics

- Show an understanding of number sense, sorting, patterning, and classifying objects
- Explore concepts of geometry and spatial relations
- Make predictions and collect data from our everyday world
- Estimate and measure objects using standard and nonstandard forms of measurement

Science

- Explore concepts of physical, earth, and life sciences
- Ask scientific questions, solve problems, and draw conclusions
- Express curiosity and use real tools to explore the natural environment in our newly-constructed outdoor classroom.

Geography & World Cultures

- Develop an awareness of the physical and cultural world around them
- Understand ways groups of people live around the world
- Gather information about and the roles people play in our community and around the world

Physical Development and Health

- Engage in active play using gross and fine motor skills
- Develop positive habits for health and fitness
- Follow basic safety rules while participating in group/individual activities

The Arts

- Explore visual arts and a variety of media forms
- Use creative arts as an avenue for self-expression

Social/Emotional Development

- Develop positive relationships with peers and adults
- Learn to manage ones emotions and behavior
- Resolve interpersonal conflicts in constructive ways
